

They Gave Me

A place of hope and
more reasons to sing.

— Laurie Smith • Flagstaff, AZ

At the Cancer Centers of Northern Arizona Healthcare our advanced technology and medical skill are complemented by our focus on patients as individuals, each with distinct medical, emotional and support needs. Developing a personalized care plan for every patient is key to the treatment we provide. Our focus is on patients and clinicians working as a team.

WE'RE IN THIS TOGETHER

Cancer Centers of
Northern Arizona Healthcare

A service of Flagstaff Medical Center and Verde Valley Medical Center
